

The logo for 'love cable' is written in a white, cursive script font on a red rectangular background. A thin white horizontal line is positioned above and below the text, extending across the width of the red box. The trademark symbol (TM) is located at the top right of the word 'cable'.

PRO & MUSICIAN CABLES

PRO SEC Instrument Cable

The PRO SEC love cable instrument cable is a co-axial design built with Silver Plated Long Crystal Oxygen Free Copper to ensure the same excellent EMI/RFI rejection as our other cables we use both active and passive shielding. This cable is a bit more rigid but still good to handle in both studio and on stage. All-round use for a fast natural sound with extended high frequency.

PRO SEC – 1 METER 2 SIDES STRAIGHT JACK €45.00

PRO SEC – 1 METER STRAIGHT TO RIGHT JACK €45.00

PRO SEC +1 EXTRA METER €30.00

PRO SEC – PATCH CABLE 0.25 METER 2x RIGHT JACK €38.00

PRO SEC – PATCH CABLE 0.50 METER 2x RIGHT JACK €46.00

PRO UTIC Instrument Cable

The PRO UTIC love cable instrument cable is a twisted cable design. This cable is the thinnest and strongest instrument cable we produce. Passive shielding as used in the PRO TIC ensures top-level EMI/RFI performance. Its modest weight and size makes it the ideal travel cable for both bass and guitar players, but also well suited for violin, banjo, viola, mandolin, ukulele, bouzouki, dobro-resonator, lap steel guitar and tapping instruments.

PRO UTIC – 1 METER 2 SIDES STRAIGHT JACK €38.00

PRO UTIC – 1 METER STRAIGHT TO RIGHT JACK €38.00

PRO UTIC +1 EXTRA METER €24.00

PRO YIC Instrument Cable

The PRO YIC love cable twisted cable design is based on the same structure used in the UTIC. This Y-cable sports passive shielding to achieve top-level EMI/RFI performance that makes this cable exceptional silent and distortion free, a feature that is standard to all love cables. Suited for all instruments that have a stereo output, a fast and precise sounding cable with great frequency response and 'slam'.

PRO YIC STEREO Y-CABLE 1 METER 2 SIDES STRAIGHT JACK €45.00

PRO YIC STEREO Y-CABLE 1 METER STRAIGHT TO RIGHT JACK €45.00

PRO YIC STEREO Y-CABLE +1 EXTRA METER €30.00

PRO SERIES 1 Microphone Cable / Balanced Cable

The PRO SERIES 1 MIC love cable microphone cable is a true balanced cable. Its design principal dates back to the late 1950's. Improved materials and shielding techniques makes this an affordable top-level choice for studio and stage.

PRO SERIES 1 MIC 3 METERS €90.00

PRO SERIES 1 MIC +1 EXTRA METER €32.00

PRO MIC EXTREME STUDIO Microphone Cable / Balanced Cable

The PRO MIC EXTREME STUDIO love cable microphone cable is our most advanced balanced microphone cable design that delivers an excellent transparent signal with exceptional balance. With it's 6 fold counter twisted shielding this cable has unmatched EMI/RFI properties. An absolute must for critical recording of vocal and other acoustic instruments.

MIC EXTREME STUDIO 1 METER €65.00

MIC EXTREME STUDIO +1 EXTRA METER €55.00

PRO SERIES APC Power Cable

The PRO SERIES APC love cable power cable is made to perform with both transistor and tube amplifiers as well as hybrid designs. This power-cord will also work with other critical equipment both digital and analog, it has major sound advantages over regular stock power-cords.

PRO SERIES APC POWER CABLE 1.25 METER €175.00
PRO SERIES APC POWER CABLE EXTRA 0.50 METER €45.00
PRO SERIES APC POWER CABLE +1 EXTRA METER €80.00

PRO LCLC Loudspeaker Cable

The PRO LCLC love cable loudspeaker cable is a Silver Plated Long Crystal Oxygen Free Copper braided loudspeaker cable intended to use between top and cabinets of guitar and bass guitar amplifiers and is suited for both transistor, tube and hybrid amplifier designs. This cable is passive shielded to deal with EMI/RFI emissions and ensures a distortion free and maximum signal transfer.

LOUDSPEAKER CABLE FOR GUITAR & BASS AMPS 0.5 METER €38.00
LOUDSPEAKER CABLE FOR GUITAR & BASS AMPS 0.75 METER €46.50
LOUDSPEAKER CABLE FOR GUITAR & BASS AMPS 1 METER €58.00

PRO LCSW Shure WA302 Replacement Cable

The PRO LCSW replaces the SHURE WA302 cable to connect instruments to SHURE wireless systems. You can use this cable with following Shure wireless systems: T1, SC1, SLX1, LX1, U1,UC1, ULX, UR1, and UT1 body-pack transmitters. Straight or Right- Angled 1/4" Jack to 4-pin Mini XLR (TA4F)

PRO LCSW STRAIGHT 1/4" JACK TO 4-PIN MINI XLR 0.6 METER €47.50
PRO LCSW RIGHT ANGLED 1/4" JACK TO 4-PIN MINI XLR 0.6 METER €47.50

PRO SERIES ETCX Ethernet Cable

The PRO ETCX love cable is an extreme shielded version of the Pro Series ETC, a no-nonsense broadcast quality Ethernet cable terminated with Telegärtner RJ45 connectors. This stiff Ethernet cable with solid core copper conductors has individual foiled twisted pairs to eliminate crosstalk and has an extra layer of passive shielding for use in extreme harsh EMI/RFI environments. It is the perfect choice for demanding studio, broadcast and audiophile use and a true 100-Ohm Ethernet cable supporting 10/100Base 10GBASE-T Ethernet.

PRO SERIES ETCX – 0.75 METERS €128.50
PRO SERIES ETCX – 1 METER €138.50
PRO SERIES ETCX – 1.5 METER €158.50
PRO SERIES ETCX +EXTRA 0.50 METER €20.00

THIS CABLE IS TERMINATED WITH RJ145 CONNECTORS

PRO SERIES 1 LCUSB-Y USB Cable

The Pro Series 1 LCUSB-Y love cable is a professional true 90-Ohm USB cable with heavy shielding and low capacity to ensure optimal and unaltered data transfer. This results in better transients with a realistic soundstage and analog-like smoothness.

This cable sports Mesh-Wire + Mylar-Aluminum foil shielding for both the + and - data conductors plus one overall Mesh Shielding of both data sections. Further it uses an oversized separate 5 Volt power section to eliminate noise that normally might be generated by the power supply resulting in additional timing errors. To use this USB-Y cable you need two USB-A ports if your receiver needs the 5V power (used for the so called 'hand-shake' or used for full operation, depending on your setup) if your receiver does not need the 5V power, you can leave the power line unplugged.

PRO SERIES 1 LCUSB-Y – 0.75 METER €235,00
PRO SERIES 1 LCUSB-Y – 1 METER €240,00
PRO SERIES 1 LCUSB-Y – 1.25 METER €245,00
PRO SERIES 1 LCUSB-Y – 1.50 METER €275,00
PRO SERIES 1 LCUSB-Y – 2 METER €305,00
