ULTIMATE HOME AUDIO CABLES

PRO AR-1 XLR or RCA Cable

The PRO AR-1 cable is an absolute reference mastering grade cable sporting an extreme 6-fold counter twisted active shielding to cancel crosstalk. It delivers the best noise floor performance available. Extra passive shielding for unmatched EMI/RFI properties makes this cable a must-have for the demanding audiophile and sound engineer.

LC PRO AR-1 – 0.75 METERS €540.00

LC PRO AR-1 – 1 METER €560.00

LC PRO AR-1 – 1.5 METERS €630.00

LC PRO AR-1 – 2 METERS €740.00

LC PRO AR-1 – 2.5 METERS €850.00

LC PRO AR-1 – 3 METERS €960.00

LC PRO AR-1 – 3.5 METERS €1,070.00

LC PRO AR-1 – 4 METERS €1,180.00

LC PRO AR-1 +0.5 EXTRA METER €110.00

AVAILABLE IN BALANCED (XLR) AND UNBALANCED (RCA) VERSION

PRO 1 SPDIF Cable

The PRO 1 SPDIF cable is a reference level SPDIF cable based around OFHC Silver Plated Copper Litz conductors in a coaxial design, a PE-foam skin combined with a polyester based aluminum foil and silver plated braiding to eliminate skin effect. It also features a passive metal shielding to improve signal transfer and to provide superb EMI/RFI rejection.

PRO 1 SPDIF CABLE – 0.5 METER €200.00

PRO 1 SPDIF CABLE – 0.75 METER €240.00

PRO 1 SPDIF CABLE +0.25 EXTRA METER €40.00

TERMINATED WITH RCA OR BNC CONNECTORS

PRO REF-LC Loudspeaker Cable

The PRO REF-LC Loudspeaker Cable is a passive shielded reference loudspeaker cable based around a OFHC Copper Litz core and a silver plated braided network, a double insulation with low memory PE. The extreme low-noise floor delivers a natural soundstage with a silky smooth top end, a very tight bass, articulated open mid-low and upper midrange.

STEREO SINGLE WIRE – 1 METER €600.00

STEREO SINGLE WIRE – 1.5 METERS €750.00

STEREO SINGLE WIRE – 2 METERS €900.00

STEREO SINGLE WIRE – 2.5 METERS €1,050.00

STEREO SINGLE WIRE – 3 METERS €1,200.00

STEREO SINGLE WIRE – 3.5 METERS €1,350.00

STEREO BI-WIRE – 1 METER €1,020.00

STEREO BI-WIRE – 1.5 METERS €1,275.00

STEREO BI-WIRE – 2 METERS €1,530.00

STEREO BI-WIRE – 2.5 METERS €1,785.00

STEREO BI-WIRE – 3 METERS €2,040.00

STEREO BI-WIRE – 3.5 METERS €2,295.00

JUMPERS 4 PIECES €150.00

PRO SERIES 1 LCPC-REF Power Cable

The PRO SERIES 1 LCPC-REF power cable is a benchmark power cable based around a 4 x 4 mm² OFHC Copper Litz Core and a Silver Plated Braided network with low memory PE Insulation, a silver ground wire and a heavy passive shielding between the hot and neutral wires.

PRO SERIES 1 LCPC-REF – POWER CABLE – 1.25 METERS €1,250.00

PRO SERIES 1 LCPC-REF POWER CABLE 1.5 METERS €1,375.00

PRO SERIES 1 LCPC-REF POWER CABLE +0.25 EXTRA METER €125.00

PRO SERIES 1 LCPH Phono Cable

The PRO SERIES 1 LCPH Phono Cable is a cable for those that are in search of the ultimate in phono replay. We offer a dedicated phono cable that will bring out the best of any turntable/arm/cartridge combination, either MM or MC based.

PRO SERIES 1 LCPH PHONO CABLE – 1.5 METERS €525.00

PRO SERIES 1 LCPH PHONO CABLE – 2 METERS €615.00

This cable is available in both RCA > RCA and RCA > SME DIN

PRO SERIES ETC Ethernet Cable

The PRO ETC love cable is a no-nonsense broadcast quality Ethernet cable terminated with Telegärtner RJ45 connectors. This stiff Ethernet cable with solid core copper conductors has individual foiled twisted pairs to eliminate crosstalk. It is the perfect choice for demanding studio, broadcast and audiophile use and a true 100-Ohm Ethernet cable supporting 10/100 Base 10GBASE-T Ethernet.

PRO SERIES ETC – 0.75 METER €121.00

PRO SERIES ETC – 1 METER €131.00

PRO SERIES ETC – 1.5METER €151.00

PRO SERIES ETC +0.50 EXTRA METER €12.50

This cable is terminated with Telegärtner RJ145 CONNECTORS

PRO SERIES ETCX Ethernet Cable

The PRO ETCX love cable is an extreme shielded version of the Pro Series ETC, a no-nonsense broadcast quality Ethernet cable terminated with Telegärtner RJ45 connectors. This stiff Ethernet cable with solid core copper conductors has individual foiled twisted pairs to eliminate crosstalk and has an extra layer of passive shielding for use in extreme harsh EMI/RFI environments. It is the perfect choice for demanding studio, broadcast and audiophile use and a true 100-Ohm Ethernet cable supporting 10/100Base 10GBASE-T Ethernet.

PRO SERIES ETCX – 0.75 METERS €128.50

PRO SERIES ETCX – 1 METER €138.50

PRO SERIES ETCX – 1.5 METER €158.50

PRO SERIES ETCX +EXTRA 0.50 METER €20.00

This cable is terminated with Telegärtner RJ145 CONNECTORS

PRO SERIES 1 LCUSB-Y USB Cable

The Pro Series 1 LCUSB-Y love cable is a professional true 90-Ohm USB cable with heavy shielding and low capacity to ensure optimal and unaltered data transfer. This results in better transients with a realistic soundstage and analog-like smoothness.

This cable sports Mesh-Wire + Mylar-Aluminum foil shielding for both the + and – data conductors plus one overall Mesh Shielding of both data sections. Further it uses an oversized separate 5 Volt power section to eliminate noise that normally might be generated by the power supply resulting in additional timing errors. To use this USB-Y cable you need two USB-A ports if your receiver needs the 5V power (used for the so

called 'hand-shake' or used for full operation, depending on your setup) if your receiver does not need the 5V power, you can leave the power line unplugged.

PRO SERIES 1 LCUSB-Y – 0.75 METER €235,00

PRO SERIES 1 LCUSB-Y – 1 METER €240,00

PRO SERIES 1 LCUSB-Y – 1.25 METER €245,00

PRO SERIES 1 LCUSB-Y – 1.50 METER €275,00

PRO SERIES 1 LCUSB-Y – 2 METER €305,00

For other cables such as (COAX, DC Power Cables, etc. etc.) or complete customized system wiring please contact us.
